

BCCG Regional Committee Rhine-Main

## ***Brexit: a view from both sides***

on Friday 19<sup>th</sup> January, 2018 at Wertpapierbörse, Börsenplatz 4, 60313 Frankfurt/Main

hosted by Deutsche Börse Group

We cordially invite you to the next in a series of high-level BCCG events providing a platform for discourse around Brexit. As the British Chamber of Commerce in Germany, we are politically neutral, and encourage opinions on all sides of the discussion and both sides of the channel. Lord Lamont of Lerwick has traditionally taken a pro-British stance and we look forward to his views, paired with those of Ernst Welteke. The discussion will be moderated by David Marsh.

Although this is short notice, registrations must be made no later than Wednesday 17<sup>th</sup> January 2018. Guests are requested to bring with them photo ID (passport, ID card etc.) in order to satisfy the security requirements of the Wertpapierbörse.
