Light Breakfast will be served

Frankfurter Gesellschaft für Handel, Industrie und Wissenschaft
Villa Bonn
Siesmayerstr. 12
60323 Frankfurt

The Economist Trilogy 2018 represents a unique economic outlook event. A panel of leading economists and market strategists from NatWest, Commerzbank and BNY Mellon will combine to share and discuss their respective views on key themes facing the global markets in the New Year. With representation from leading British, German and American financial institutions, the most salient economic issues on the horizon will be addressed from varying standpoints.

The event's speakers will include the following:

- Ross Walker, Senior UK Economist, NatWest
- Simon Derrick, Senior Currency Strategist, BNY Mellon
- Dr. Marco Wagner, Senior Economist, Commerzbank

Each presenter will have an opportunity to present their respective outlook, and then will engage in a lively panel discussion to discuss and debate their views.

The event will be moderated by Frank Scheidig, Global Head of Senior Executive Banking, DZ Bank.

Please register by email to cornelia.herber@natwest.com by 9 February latest!

There is no cost contribution involved.

With kind regards
