The event, falling as it does on the 16<sup>th</sup> February, is also a tribute to Valentine's Day by honoring the power and beauty of poetry and music.

The event is free, although **donations are very welcome** to support the charity work of the *Evangelische Hoffnungsgemeinde* who are offering food and help to homeless people in their "Kaffeestube" throughout the whole year and particularly during the February period when they are offering "*Winterspeisung*" (i.e. food etc.) in the Weißfrauenkirche in Frankfurt. The event is followed by a get-together.

The idea and arrangements are organised by Stefan Weiller.

We are looking forward to meeting you there.
