ISR: "Education & Grill" Evening
16th June 2016, 18:30 – 22:00

Dear BCCG Member, Honoured Guest,

Members and guests of the British Chamber of Commerce in Germany's North Rhine-Westphalia Region are cordially invited to attend an event hosted by the International School on the Rhine "ISR".

ISR was founded in 2003 and has grown strongly to offer its approx. 660 students a thriving bilingual/multilingual school environment. Its mission is to help all its students to achieve their full potential, prepare them for success in college, equip them with the ability and desire for lifelong learning, and strengthen their civic, ethical, and moral values.

ISR is an authorized provider of the International Baccalaureate Diploma ("IB") program which is its most popular leaving diploma. Recognition globally of the value of the IB diploma has grown rapidly in the years since its conception. Many see its focus on the holistic development of the student as well the mobility of its teachings as making it the most desirable and suitable education curriculum for 21st century. In a rapidly evolving world that is mobile, interconnected, and information-rich our children will need to increasingly be creative problem solvers developed in a global context to become valued citizens of our future societies and preferred employees to globally active corporates.

Against this backdrop we are delighted that ISR, a strongly supportive member of the BCCG in NRW, has invited **Katrin Fox, Diploma Programme School Services Manager Africa, Europe and the Middle East Region for the International Baccalaureate Organization** to come and talk to us on the growing importance of an internationally orientated education for our children's future and the way IB education responds to the challenges in the development of our increasingly global and mobile society.

The program for the evening will include the option to do a guided tour of the school and subsequent to the key note speech and Q&A with Katrin Fox, a "summer grill" networking opportunity will be provided by ISR in their grounds. As places will be limited on the night I encourage early registration and look forward to seeing you then.

Yours sincerely,

Guy Street
Chairman BCCG
