

YBCCG

The Young Leaders Programme of the British Chamber of Commerce in Germany e.V. (BCCG) is an informal, cross-sector network of young multipliers up to 40 years of age. They work on exciting topics with a focus on German-British exchange as well as the economic, cultural, and political relationships between both countries. At various events, our members regularly exchange ideas with each other and with interesting guests from business and politics.

Building Bridges for
Europe's Future

The British Chamber of Commerce in Germany e.V. (BCCG) has been working since 1919 to strengthen German-British trade relations. Today, we are one of the strongest international business networks in Germany and the largest German-British business association in Europe.
